

**Product Features :**

- Color Dome Camera
- 1/3" Sony CCD 480TVL
- 3.5~8 mm f1.6 Auto Iris Lens
- DC12V 150mA

**Video :**

|                                 |   |
|---------------------------------|---|
| Optical Technology Base:        | 1/3" Sharp CCD Image Sensor                   |
| Picture Elements (H x V in mm): | NTSC: 512(H) x 492(V)<br>PAL: 512(H) x 582(V) |
| Scanning System:                | 480 lines                                     |
| Sync System:                    | Internal                                      |
| Vertical Frequency:             | NTSC: 59.94Hz<br>PAL: 50Hz                    |
| Scanning System:                | 2:1 Interlace                                 |
| Mini Illumination:              | 0.1 LUX Day & Night                           |
| Synchronization:                | Internal                                      |
| S/N Ratio:                      | >48dB   |
| Electronic Shutter              | up to 1/100.000sec.                           |
| White Balance:                  | ATW   |
| Lens:                           | 3.5~8 mm F1.6 Auto Iris Lens                  |
| Gamma Correction:               | 0.45  |
| Auto Gain Control:              | Auto  |
| Video Output:                   | 1Vp-p , 75 Ω                                  |
| Operation Temperature:          | (-)10°C ~ (+)50°C                             |
| Storage Temperature:            | (-)30°C ~ (+)60°C                             |

**Construction:**

|           |              |
|-----------|--------------|
| Material: | Plastic      |
| Weight:   | 1.5lb - 680g |

**Power:**

|                    |                  |
|--------------------|------------------|
| Power Supply:      | Dual Power DC12V |
| Power Consumption: | 150mA            |
